

IMPORTANT MOOSE EXPANSION NEWS UPDATE

Our Moose Lodge Expansion and Renovation Committee initiated our fund-raising campaign months ago, but we chose to keep our efforts very low-key as we've been patiently awaiting approval from Moose International. However, now that M.I. approval appears to be finally within reach, we are immediately re-launching our fund-raising campaign!

Venice Moose Lodge #1308 Members: Our time is now! Our Fund-Raising Campaign Team members are focused, re-energized with positive determination and are ready to do our part! We're charging forward to take this Expansion, Renovation and Beautification project all the way to the finish line to create a more comfortable, aesthetically pleasing and more efficiently operated Moose Lodge that we can all be proud of for many years to come.

\$1,350,000

Our Phase 1 Goal is: \$1,350,000. Phase 1 will cover the expansion and renovation of the lanai, total roof replacement and installation of an updated, mandatory fire sprinkler system, required for continuing with the next construction phases of our project.

Now, you've heard from us and our dedication to this important building expansion project, but what about YOU, our members? We have all donated to the project. It's now time for us to hear from YOU. So far only 165 of our 6,500 members have made a contribution. We can do better! I believe we can all afford to give something to this project.

Our Lodge really needs ALL ITS MEMBERS to examine or re-examine how much you can financially assist in this project. It's on all of us now! With our generous donations—the key word being “generous”—as in being as generous as we can personally afford, we can move this renovation project to become a reality if all members do their part and get involved to the best of their financial ability.
